

UICAP Membership Form

UICAP is a campus-wide parent organization working hard to better serve the UIC community by functioning as an important link between the University, the parent/guardian and student population. We are here to help with any problem or concern that you may encounter while your student is attending UIC.

Membership entitles you to free admission to special events and campus updates via e-mail.

Please complete the following (printed)

 Name

 Address

 City

 State

 Zip Code
